OLD BUSINESS/REVIEW OF EVENTS:

Thank you to the small group of people that showed up for Spring Cleaning at the Clubhouse.

Our Ice Cream social was fun! We had about 19 members attend and welcomed back some of our Snowbirds.

There were about 23 members that enjoyed the great Easter Dinner. Thanks to all.

Pergola Update:

Thanks to Jim Boa, he is doing a beautiful job framing the posts.

Grateful to have the picnic tables moved, thank you. It will be much easier for those that mow/maintain now Paul will assist in having the machinery moved.

A rack is needed behind the tree to stack the wood neatly. The border around the clubhouse needs cleaning up. The Sunshine Club will put in requests for actions for these items.

Dale will order a new battery for the solar lights around the pergola. Thanks Dale.

Patty has ordered the ivy and the stencils. Thanks Patty.
